

## **COLORADO DESERT BIOREGION HABITAT CONSERVATION PLANS AND NATURAL COMMUNITY CONSERVATION PLANS**

Habitat Conservation Plans (HCPs) and Natural Community Conservation Plans (NCCPs) are increasingly being used to conserve species and natural communities while also accommodating compatible land use. The following list provides an overview of HCPs and NCCPs that are approved or currently underway in this bioregion. For more information contact: California Department of Fish and Game, Habitat Conservation Planning Branch at (916) 653-4875.

Coachella Valley Fringe-toed Lizard HCP  
Coachella Valley Multiple Species Habitat Ecosystem Management Plan  
Peninsula Ranges Coordinated Ecosystem Management Plan  
Western Colorado Desert Ecosystem Management Plan
